

## Senior Analyst, Risk and Compliance

**Location:** Sydney

New Forests ([www.newforests.com](http://www.newforests.com)) seeks a qualified candidate to join our Sydney team. The role of *Senior Analyst, Risk & Compliance* will support the Head of Risk & Compliance in the delivery of key regulatory risk and compliance framework improvements.

New Forests is a global investment manager of nature-based real assets and natural capital strategies, with AUD 9.95 billion (USD 6.85 billion) in assets under management across 1.1 million hectares (2.7 million acres) of investments. We manage a diversified portfolio of sustainable timber plantations and conservation areas, carbon and conservation finance projects, agriculture, timber processing and infrastructure. We aim to generate shared prosperity for our clients and the communities in which we operate and accelerate the transition to a sustainable future.

### Responsibilities include:

- Supporting the Risk and Compliance team in maintaining the firm's risk & compliance programs
- Identification, mapping and management of compliance obligation and risk controls and associated controls/mitigations into the GRC tool
- Provide insights and accuracy of data to support risk reporting
- Overseeing the day-to-day administration and enhancement of GRC systems for the business
- Assist in preparing reports to the Risk and Compliance Committee and Board of Directors
- Assisting employees in the implementation of controls for obligations and risks in our GRC software tools

### We are seeking candidates with the following qualifications, experience, and strengths:

- Experience working in the financial services industry required; preferably in the risk and compliance sector in funds management, asset management, audit or consulting
- Experience in Risk and Control identification and assessment (including process mapping, risk profiling, control testing etc)
- Expertise in Excel or tools such as PowerBI and Sharepoint is ideal
- Business degree or equivalent
- Experience with forest resource description reporting for valuation/management purposes
- Excellent organisational skills, written and verbal communication skills
- An ability to prioritise effectively and holding strong attention to detail
- Ability to work independently and to take ownership of the role
- Ability to build strong relationships and work well within/across teams

### What can we offer?

Our environment is busy and supportive, and the team is professional but relaxed. If you join us, you would be joining a growing, fast paced business which is an environmental and sustainable leader in forestry investment. You will also be working with professionals who are passionate about their work!

We pride ourselves on having a supportive New Forests culture that is inclusive to all and we would love to learn how you can bring your unique skills and experience to our business. If you have experience in any of these areas, we encourage you to apply for our roles, even if you only meet some of the criteria.

To apply, please provide your resume and cover letter, explaining your interest and qualifications for the position, in PDF format, to [careers@newforests.com.au](mailto:careers@newforests.com.au)

Phone calls will not be accepted.

New Forests is a Certified B Corp and an Equal Opportunity Employer that values diversity and inclusion. We offer flexible working arrangements to all employees to support their work/life balance.
